

Welcome to the SAGITTARIUS newsletter, the six-monthly appointment to be updated on the SAGITTARIUS project.

A foreword by the Scientific Project Coordinator

One year of SAGITTARIUS

I am delighted to extend my personal greetings in this inaugural issue of the SAGITTARIUS newsletter! Just over a year since our kick-off meeting, the SAGITTARIUS project has made significant strides toward advancing personalized medicine in colon cancer care across Europe.

– Silvia Marsoni, Head of the Precision Oncology Unit
at IFOM ETS - the AIRC Institute of Molecular Oncology (Milan,
Italy)

Having a common mission Networking and collaborating for beating cancer

The SAGITTARIUS project is part of the “Diagnosis and Treatment” Cluster, a group of **12 European projects with similar objectives** that received funding from the European Union programme Horizon Europe. This collaboration will enhance the dissemination of the results, the public awareness, the stakeholders engagement, and the exchange of information and reports.
